

Our Lady of the Angels 1958-2008

We commemorate the 50th Anniversary of the Our Lady of the Angels fire on December 1, 2008. On this date 50 years ago, 92 children and 3 nuns lost their lives. This event became a part of Chicago history and impacted school fire codes around the nation. Commemorative license plates are being offered for purchase. These temporary plates can be displayed for 60 days. Funds raised from the plates will support the James Raymond Scholarship Fund. Mr. Raymond was the janitor in the building that day and saved many lives. The scholarships go to firefighters' children for their tuition.

Thank you for your support.
